PERSONAL INJURY

HAVE YOU BEEN INJURED? TALK TO ONE OF OUR LAWYERS FOR FREE

- Accident and Personal Injury Lawyers
- Free initial consultation
- Contingency fees available: no legal fees unless we recover money for you

EXPERIENCE

Our legal team has experience with a wide variety of accidents including ICBC claims, car accidents, plane and helicopter accidents, train accidents, slip and falls, assaults, medical malpractice, WCB and other workplace accidents, product liability, and tainted food claims. We handle all types of injuries, from whiplash and other soft tissue injuries, to broken bones, spinal cord injuries, traumatic brain injuries, chronic pain, and fatal accidents. Our law firm has been a prominent member of the legal community for over thirty years, and has the experience necessary to handle your claim.

RESULTS

We pride ourselves on obtaining the best possible results for our clients, and making sure they receive fair compensation. We understand the law, and the claims process, and it is our job to fight for you. Whether we settle your claim out of court, or take it all the way to trial, we will do everything we can to protect your legal rights and get you the compensation you deserve.

WHAT WILL IT COST?

We offer free initial consultations, and can meet with you at your home, work, or medical facility. We offer reasonable hourly rates, and competitive contingency fees, so if we don't recover any money for you, you don't pay any legal fees.

FOCUS ON RECOVERY

Getting injured in an accident can be a stressful experience. Trying to get compensation from an insurance company without a lawyer to help you can make things even worse. If you have been injured, your focus should be on recovering from your injuries, not dealing with an insurance company.

SERVICE

As a community-based law firm, we pride ourselves on the highest standards of personal service. Each file is handled according to the particular needs of the individual client, with the client's best interests in mind. After all, it's your claim, and we work for you.
